Hi Sweetheart

Received your very interesting letter this morning Baby, and I thought I should write you right away. Sweetheart you need never to worry about me changing my mind because it will never happen. I love you much to much, for anything to ever change my mind. Honey, the first time I ever saw you is the time that I fell in Love, and that is the first time in my life. You really want to know what it will seem like when we meet, and I'm able to hold you in my arms? Well Darling, there is simply no word or expression for it, but we will be in heaven, that is if you feel the same way I do? Honest Sweetheart to tell you the truth, I will never be able to get enough of you to be satisfied, that's how much you mean to me. I Love Your Eyes, Hair and those soft lips, Ah, and what a beautiful body I'll never be able to forget the beautiful molded body that you possess. Sweetheart I Love you so very much, it is a nice sound and I have to repeat it all the time, because it sounds so nice. Oh Darling I just can't wait to see you. I dream of you all the time, One dream I had was

Sweetheart you need never worry about me changing my mind because it will never happen I Love you much *to* much, for anything to ever change my mind. Honey, the first time I ever saw you is the time that I fell in Love and that is the first time in my life. You really want to know what it will seem like when we meet and I'm able to hold you in my arms? Well Darling there is simply no word or expression for it but we will be in heaven, that is if you feel the same way I do? Honest Sweetheart to tell you the truth, I will never be able to get enough of you to be satisfied, that's how much you

mean to me. I Love your Eyes, Hair and those soft lips. Ah, and what a beautiful body I'll never be able to forget the beautiful molded body that you *posess*. Sweetheart I Love you so very much, it is a nice sound and I have to repeat it all the time, because it sounds so nice. Oh Darling I just can't wait to see you. I dream of you all the time. One dream I had was that we were parked by a Lake and really were necking up a storm. A dream like that is hard on a guys morale. But who knows maybe it is one dream that will come true?
